Dredging Operations River Orwell

Mariners and Port Users are advised that the Multicat Dredging Support vessel 'UKD Sealion' will be working in the Port of Ipswich and River Orwell from or about Sunday 28th April 2019 for about 6 days. All vessels are requested to give this vessel a wide berth, especially when 'UKD Sealion' is ploughing/Bed Levelling in the Harbour and Navigation Channel. 'UKD Sealion' will be monitoring VHF Channel 68 and showing International Signals for a vessel engaged in Dredging. Details of the vessel movements will also be available from the Orwell Navigation Service.

Harbour Master 26th April 2019.
